

# Counting and Coloring SHELLS

COUNT AND COLOR ...

- 1 big shell. (Clue: it's a "Conch" shell, used as a musical instrument - a horn)
- 2 shells with a "twirly" pattern.
- 3 Scallops - the Rainbow Mermaids' favorite shells!
- 4 Opi'i shells - usually found clinging to rocks.
- 5 Puka shells. (Why "puka"? What can we make with puka shells?)

How many shells altogether?
